

## PRESS RELEASE

### **INX Inc. Wins Cisco Global Service Partner of the Year Award at Cisco Partner Summit**

HOUSTON--(BUSINESS WIRE)--INX Inc. announced today that it is the recipient of a Cisco Partner Summit global award for Services Partner of the Year. INX also received the U.S. and Canada theater award for Cisco Services Partner of the Year and three U.S. and Canada regional awards for National Technology Excellence Partner of the Year, for Wireless and Data Center Partner of the Year, West Region, and Outstanding Customer Solutions Partner of the Year, South Region. Cisco unveiled the winners on April 28th at its annual channel partner conference in San Francisco.

The objective of Cisco's Partner Summit global awards is to recognize exemplary channel partners whose business best practices Cisco would like other partners to model. Categories include: innovative practices, applications successes, unique programs, problem solving and sales approaches. All winners are selected by a group of Cisco Worldwide Channels and regional theater executives.

"It is an honor and privilege to name INX as a Cisco Partner Summit global award winner," said Keith Goodwin, senior vice president, Worldwide Channels at Cisco. "The Services Partner of the Year award recognizes INX's performance and achievements as an outstanding global Cisco channel partner in 2009."

Mark Hiltz, President and COO of INX said, "It is quite an honor to be recognized by our partner Cisco Systems with this prestigious award. INX continues to focus on delivering solutions that have business impact by architecting solutions with our partners. We are proud of our accomplishments and are continuing to evolve our business to meet our clients' needs."

Cisco Partner Summit awards are presented at three levels: regional, theater and global. Cisco Partner Summit global awards reflect a partner's commendable performance within a specific technology market across several geographic regions.

#### **ABOUT INX INC.:**

INX Inc. (NASDAQ:[INXI](#)) is a leading U.S. provider of IP communications and data center solutions for enterprise organizations. INX offers a suite of advanced technology solutions focused around the entire life-cycle of enterprise IP network communications and data center infrastructure. Services are centered on the design, implementation and support of network infrastructure, including routing and switching, wireless, security, unified communications, and data center solutions such as storage and server virtualization. Customers include enterprise organizations such as corporations, as well as federal, state and local governmental agencies. Because of its focus, expertise and experience implementing and supporting advanced technology solutions for enterprises, INX believes it is well positioned to deliver superior solutions and services to its customers. Additional information about INX can be found on the Web at [www.inxi.com](http://www.inxi.com).

#### **SAFE HARBOR STATEMENT:**

The statements contained in this document that are not statements of historical fact, including, but not limited to, statements identified by the use of terms such as "anticipate," "appear," "believe," "could,"

"estimate," "expect," "hope," "indicate," "intend," "likely," "may," "might," "plan," "potential," "project," "seek," "should," "will," "would," and other variations or negative expressions of these terms, including statements related to expected benefits from the announced contract award are "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995 and involve a number of risks and uncertainties. Additional information about risk factors are contained in the Company's most recent filings with the SEC on Forms 10-K and 10-Q. The actual results of the future events described in the forward-looking statements in this document could differ materially from those stated in the forward-looking statements due to numerous factors. Recipients of this document are cautioned to consider these risks and uncertainties and to not place undue reliance on these forward-looking statements. The Company expressly disclaims any obligation or undertaking to update or revise any forward-looking statement contained herein to reflect any change in the Company's expectations with regard thereto or any change in events, conditions or circumstances upon which any statement is based.
